

APPLICATIONS AND PROPERTIES

Mandrel built hose very light and flexible. It is used to protect the tube in the electrical industry, electronics, welding, etc.

COMPOSITION

Interior tube:	Neoprene rubber.
Reinforcement:	High tenacity synthetic braided.
External cover:	Smooth black synthetic rubber resistant to abrasion, weathering and severe operating conditions.

Code	Ø ID		Ø OD	Thick-ness	Weight	Roll Length
	inch	mm	mm	mm	kg/m	m/roll
0177019	3/4	19	22	1,50	0,130	40
0177022	7/8	22	25	1,50	0,150	40
